CoPEH-Symposium

June 6-7, 2015

Montréal

This is an invitation to share and explore the joys, complexities and challenges of ecohealth in practice!

To fuel current and future interactions and exchanges around these topics we are enthusiastically inviting you to become involved in one of two ways...

1. Join us in beautiful Montréal on June 6-7 for an evening and day of connecting, sharing, learning, and planning for common interest working groups, sharing the following...

2. If you are unable to join us in Montréal, we encourage you to become involved by sharing your experience through the following submissions...

1. Contribute to an integrative audio-visual “moving art” exhibit that will be shown at the June 6th evening launch, by submitting
 - a. 1-2 songs that represent a pivotal moment for you in ecohealth practice, which will be mixed into a continuous track and provide the backdrop for the evening
 - b. 1-2 photos/images that describe your relation to and understanding of ecohealth
2. **Optional-** Contribute a 1-min video that describes the challenges and complexities you have experienced putting ecohealth into practice

If you are interested in being involved please send an expression of interest ASAP and your submissions by **May 10th**
